AMERICA'S NEW FAVORITE CUT FLOWER!

GIANT CAMELLIA FLOWERED RANUNCULUS

LARGEST STRAIN IN THE WORLD!

True Giants of California. Easy to Grow! No wonder this Giant Camellia Flowered Ranunculus is becoming America's New Favorite Cut Flower.

Each beautiful bloom is a thrilling sight. Strong vivid shades of bright colors will add sparkling beauty to your whole garden. Softer pastel shades in some of the flowers give that ever so charming atmosphere to your floral arrangements.

Each bloom is borne on a tall stem, perfect for garden show or cutting. Some of the blooms will measure more than 2" across, with the most dramatic camellia shape you've ever seen.

Plant these wonders anytime from August to spring. Pick armloads of flowers from your own garden in only a few short weeks. Yes, brighten up your home and garden with America's New Favorite Cut Flower.

ANNIVERSARY BULB OFFERS

1956 BEST BULB YEAR EVER

Dear Friend:

I have just returned from the bulb growing fields and want to tell you that the bulbs you receive from Germain's this year are the most outstanding that I have ever seen.

As manager of the Bulb Department, I am proud to offer you the finest varieties and the highest quality available. Many of you have written to me personally about what bulbs that you prefer. I know that this selection will more than please you.

I suggest that you send your order in EARLY. Because of the high quality, some of the qantities are limited.

Sincererly,

Marshall Lewis
